

2019 NNSYGA PRESIDENT'S CUP

- The 2019 PRESIDENT'S CUP contest will have the same format as last year with a minor change in the points, i.e., there will be bonus points awarded based on the number of participants. Cost for participation is included in your \$40 membership fee. Participants will earn "CUP Points" by playing in regular season outings (plus the Brumby Bowl). The winner will be determined after the conclusion of the Brumby Bowl and will be based on total points accumulated.
- To be eligible to win CUP POINTS: A round must be played following the rules that generally apply for NNSY competitions, i.e., the USGA Rules of Golf except that: (1) you may lift, clean and place your ball within one club-length in your fairway, (2) all putts MUST be holed out, and (3) the maximum score for any hole is Double Par (except when playing in the Brumby Bowl.)
- CUP POINTS will be awarded based on an individual's finishing position in an outing, determined by NET SCORE (gross score – handicap) and according to the table shown below. Participants who do not have an established NNSYGA handicap will be scored based on their gross score compared to all other gross scores.
- PRESIDENT'S CUP POINTS will be awarded after each outing based on the number playing (#P) & as follows:

<u>POSITION</u>	<u>POINTS</u>
1 st place	100 + #P
2 nd	75 + #P
3 rd	50 + #P
4 th	40 + #P
(*)	

(* 5th = 39 + #P, 6th = 38 + #P, 7th = 37 + #P, etc.)

- Participants will earn CUP POINTS at each NNSYGA outing they play. However, the Official Point Total will be based only on their five (5) best performances throughout the year. Participants will improve their point total after 5 rounds have been scored if, for example, they score more points than their current 5th best score. In that case, the better score will count in their Official Point Total and their previous 5th best score will drop out. By continuing to play additional outings a participant's Official Point Total (and overall standing) can only improve.
- **END OF SEASON – BRUMBY BOWL**
Participants will have a chance to improve their standing in the PRESIDENT'S CUP by playing in the Brumby Bowl. Also, as per the rules for the Brumby Bowl: (1) there is no maximum score per hole, and all putts must be holed out.
- **PLACES PAID –** The top 4 finishers will be rewarded (approximately) as follows:
 - 1st place = 50% of the pot
 - 2nd place = 25% of the pot
 - 3rd place = 15% of the pot
 - 4th place = 10% of the pot

Tie-Breakers:

- (1) Total Points earned in Brumby Bowl.
- (2) Points earned in Brumby Bowl, 2nd round.
- (3) Highest place finish during the season.
