

NNSYGA PRESIDENT'S CUP

- The PRESIDENT'S CUP is a handicap-based contest where points are awarded based on your performance in up to five outings. The winner has received between \$150 and \$200 the past five years, also prize money is awarded to the 2nd, 3rd and 4th place finishers. **Cost for participation is included in your \$45 membership fee.** Participants can earn "CUP Points" by playing in regular season outings (plus the Brumby Bowl). The winner will be determined after the conclusion of the Brumby Bowl and will be based on total points accumulated.
- To be eligible to win CUP POINTS: A round must be played following the rules that generally apply for NNSYGA competitions, i.e., the USGA Rules of Golf except that: (1) you may lift, clean and place your ball within one club-length (no closer to the hole) in your own fairway and in bunkers, where you can also smooth the sand, (2) all putts MUST be holed out, and (3) the maximum score for any hole is Double Par (except when playing in the Brumby Bowl.)
- CUP POINTS will be awarded based on an individual's finishing position in an outing as determined by their NET SCORE (gross score – handicap) and according to the table shown below. A player's handicap for the course being played is determined by the following USGA formula:
Course Handicap = (Club Handicap Index x Slope Rating/113) + (Course Rating – Par)
Participants who do not yet have an established NNSYGA Club Handicap will be scored based on their gross score compared to all other gross scores for that round.
- PRESIDENT'S CUP POINTS will be awarded based on the number playing (#P) and as follows:

<u>POSITION</u>	<u>POINTS</u>	<u>POSITION</u>	<u>POINTS</u>
1 st place	100 + #P	5th	39 + #P
2nd	75 + #P	6 th	38 + #P
3rd	50 + #P	7 th	37 + #P
4th	40 + #P	Etc	

Participants will earn CUP POINTS for each outing they play. A player's Official Point Total will be based only on their five (5) best performances throughout the year. Accordingly, during the year each participant can improve their points total after having played 5 rounds if, for example, they score more points in a subsequent round than in any of their previous 5 best scores. In this case, the better score will count in their Official Point Total and their previous 5th best score will drop out. By continuing to play additional outings a participant's Official Point Total can only improve.

- **END OF SEASON – BRUMBY BOWL**
Participants will have a chance to improve their standing in the PRESIDENT'S CUP by playing in the Brumby Bowl. Also, as per the rules for the Brumby Bowl: (1) there is no maximum score per hole, and all putts must be holed out.
- **PLACES PAID – The top 4 finishers will be rewarded (approximately) as follows:**
1st place = 50% of the pot
2nd place = 25% of the pot
3rd place = 15% of the pot
4th place = 10% of the pot
Tie-Breakers: (1) Total Points earned in Brumby Bowl.
(2) Points earned in Brumby Bowl, 2nd round.
(3) Highest place finish during the season.
